

START:

- Keeping more to the schedule, we are on a good way, but we should keep up the good work and follow some rules.
- start working harder and **stop** getting distracted too often so we can finish until thursday evening
- LAURA:
 - taking better care of myself - sleep more, drink more water, go training, go to Italy
 - opening my mind to change instead of saying "it's done, it's ok"
 - waking up 20min earlier so i will be in time

STOP

- long breaks perhaps
- getting distracted so easily
- LAURA
 - taking on more than i can handle - my health & my group is my priority
-

CONTINUE

- The amount of work we complete everyday,
- being focused on the topic
- Jokes
- Daniel: forklift morning drives (Laura? yes? no)
- LAURA
 - getting inspired & writing well
 - surrounding myself by beautiful girls so i will stay motivated
 - making money moves
 - looking forward to Italy & summer
