- ***What work did you complete yesterday?***
- ***What have you planned for today?***
- ***Are you facing any problems or issues?***

KAMIL: Customer view is done implementing, started Checkout view (mvvm, controller)
ROBERT: Implemented functionality to the remove button, viewcontroller, viewmodel, rmi
LAURA: 3:45 shift at the restaurant

planned for today

ROBERT: implement the Remove method in the ITEM DAO
KAMIL: Work on checkout/order view, document customer view & order view, help Robert with DAO
KAMIL TASKS:
add comment button without functionality, clean up the code with the itemProperty inside the CustomerView, add the description button for the customerView, when the quit button pressed all items are removed

how to load specific types from model
dbview cleaned up, add item cleaned up

LAURA: Start the Barista view:)

problems
LAURA: I need to work on coming in time, I am coming later & later to the meetings so I will put my alarm earlier
